

Bruce

COLLEGE

2017

August Preparation Course

- Why wait start your Exam year now !
- This is an ideal opportunity for students who are entering in to their exam year (Leaving Cert.) to get a head start on their academic work before they resume normal classes.
- Our excellent teachers will give students a greater appreciation of key topics and core structure in each of the subjects.
- This will also help the student plan their year ahead in advance of classes.
