## MESSAGE FROM THE TEAM

Welcome back after your mid-term break and we trust that you all managed to get some time off in order to recharge the batteries. We are very proud of how all of our new students have settled in. There is a great sense of motivation and huge effort being put in - both in classes and in your study sessions.

For some of you, the October house exams will have been the first full set of exams you have done with us. Please remember that these exam results and the feedback given by your teachers are all part of the process of improvement. Now is the time to build on the foundations laid in that first half-term. Maintain a good work ethic, keep to your study routine and your timetable and success will be yours. Slow and steady is best and try and work into your daily routine some time away from the books. Remember that this year is a marathon and not a sprint.

## STUDENT SPOTLIGHT

A huge congratulations to Imokilly for winning the Cork Premier Senior Hurling Championship. Imokilly are the Champions for only the sixth time after winning this competitive 2024 decider against Sarsfields at SuperValu Páirc Uí Chaoimh last month. Scoring ten points without reply in a strong second half proved the catalyst to drive Imokilly to championship success. We have many proud staff and students with links to and playing for the clubs involved.

## GUIDANCE

### CAREERS TALK

This Wednesday November the 6<sup>th</sup> with Dr Clara Forrest (Medical doctor and past pupil) Medicine & HPAT. We encourage you all to attend our careers talks. All 5<sup>th</sup> and 6<sup>th</sup> years welcome, feel free to come along and sit in on any talk.

### CAO

The CAO online applications will open this Tuesday, November the 5<sup>th</sup> at 12 noon and closes 1<sup>st</sup> February 2025 at 5pm. All our 6<sup>th</sup> year students are invited to our CAO information session with myself on the morning of Monday 18<sup>th</sup> November (times TBC in The Audley that week). At this session, you will be carefully advised on the CAO application process and offers system, our recommended approach on filling out their application and common pitfalls to avoid. **All 6<sup>th</sup> year students must attend.** Parents will also be sent home CAO information via the app.

### HPAT

This Tuesday November the 5<sup>th</sup> is the first of our three part HPAT introduction course with Conor Power. All welcome to attend as it gives a feel of what the HPAT involves. It is live online at 7pm.

**6<sup>th</sup> Years:** We recommend you sign up with Med Entry as they offer excellent preparation packages. **5<sup>th</sup> years:** We recommend you concentrate on your Leaving Certificate this year! We will run a HPAT workshop on the 29<sup>th</sup> of May 2025, after your exams.

Have a great week everyone! *Joanne*
